Prince Salman Center for Disability Research
is pleased to invite you to attend a lecture on

“Accessibility: Towards an Accessible Environment”

This lecture will high light the roles of access consultants in Saudi Arabia and the changes they can do to enhance the built environment. The lectures main topics are:

- Access consultants and the engineering departments in the government
- Access consultants working together with private consultants
- Access consultants and contractors
- Access consultants and the disabled
- What are the aims of access consultants?
- What is an access consultancy?
- Why should we have an access consultant?

Speaker

Mukhtar Mohammed Al-Shibani

Architect, Vice President

Global Alliance on Accessible Technologies and Environments (GAATES)
