IRBNet:

***The Global Leader for Innovative Compliance Solutions
for Research Management***

IRBNet is the global leader, providing a web-based solution for managing the compliance challenges of research management. The solution is entirely web-based and presents a modern technical solution to a distributed, multi-nation problem. This session will focus on a demonstration of the tool set in a tactical hands on manner. IRBNet is used by large research institutions, hospitals and public and private centers of human and animal research.
